

FANUS AND IUNS CELEBRATED HABIBA'S 90TH BIRTHDAY IN ACCRA-GHANA

Dear Colleagues, the IUNS President Dr Lynnette Neufeld, hastily invited us to Accra for an urgent meeting to discuss the IUNS draft policy on Private Sector Funding of IUNS meetings. This policy affects adhering IUNS bodies such as FANUS and African Nutrition Societies. Some outcomes of the discussions are in the below document. Also, we celebrated Habiba's 90th birthday in advance. She has been instrumental in supporting nutrition in Africa through her association with FANUS and ANS.
